Una casa sul mare immersa nella natura, mille occasioni per fare nuove scoperte e per continuare a sognare ad occhi aperti. Rientrando in casa, i nostri piccoli marinai ritrovano il tepore della loro cameretta accogliente e piena di colori, dove dare completo sfogo alla fantasia e al divertimento. E dove poter giocare a diventare grandi.

A house by the sea, surrounded by nature. Here are a thousand opportunities for new discoveries and new daydreams. When it's time to come back inside, our little sailors find the vivid colors and welcoming warmth of a room where imagination and entertainment know no bounds — the perfect place to play at being grownups.

E' delizioso lo scrittoio dalle forme morbide e arrotondate: diventerà il punto in cui aggiornare il diario di bordo! Il pouf è simpaticissimo, rivestito in tessuto che riprende le tonalità del letto, dell'armadio e della abat-jour.

This delightful writing desk shows off its soft, rounded contours — the ideal place to make a new entry in the ship's log! The richly upholstered desk chair, covered in fabric that draws upon the tones and design of the bed, armoire, and table lamp, is thoroughly charming.
