bronzage®

by Wall&decò

La carta da parati cosmetica
The cosmetic wallpaper

Bronzage® è l'innovativa ed affascinante carta da parati sviluppata da Wall&decò per conferire alle pareti un'inedita espressione di colore e di incredibile luminescenza.

Nato dalla ricerca Wall&decò per soluzioni decorative sempre innovative e dal grande impatto emotivo, Bronzage® ha le caratteristiche di un vero e proprio cosmetico per le pareti.

Le sfumature cangianti, i sorprendenti effetti glowing e metallescenti, l'iridescenza dell'oro, dell'argento, del rame e del bronzo rendono i decori delle grafiche Wall&decò ancora più affascinanti e ricercati.

Bronzage® è la carta da parati dalle texture preziose e dall'effetto fortemente seduttivo; il mondo dell'interior design ha una nuova espressione di meraviglia.

Bronzage® is the innovative and fascinating wall covering developed by Wall&decò conferring walls an unexpected expression of color and an incredible luminance.

Created by Wall&decò for the search for always innovative and decorative solutions with great emotional impact, Bronzage® has the characteristics of a real mural cosmetic.

The shimmering shades, the amazing glowing and metallic effects, the iridescence of gold, silver, copper and bronze make the Wall&decò graphics decorations even more fascinating and refined.

Bronzage® is the wallpaper with precious textures and with highly seductive effect; the world of interior design has a new expression of wonder.

Questa icona identifica le grafiche che, per le tonalità di colore e per gli elementi decorativi, sono particolarmente indicate per la riproduzione Bronzage®

This icon identifies the graphics that, for the color shades and decorative elements, are particularly indicated for reproduction on Bronzage®.
