TECHNICAL INFORMATION

Central multifunctional table

With simple movements, the table can be used as a container or as a servetto

Table has double compartments inside with two different dimensions:

- the sliding top, in case of the bigger sizes
- Lifting of the crossarm, by two pistons for the smaller slot.

The raised shelf acts as a servetto, very useful and convenient to work on the PC or as a drink holder

The MDF structure is available in smoked oak or black walnut finishes.

For both versions, the base is in chromed nichel
