Ville Lumière

Des yeux qui font baisser les miens
Un rire qui se perd sur sa bouche
Voilà le portrait sans retouche
De l'homme auquel j'appartiens

Quand il me prend dans ses bras
Il me parle tout bas
Je vois la vie en rose

Il me dit des mots d'amour
Des mots de tous les jours
Et ça me fait quelque chose

Il est entré dans mon coeur
Une part de bonheur
Dont je connais la cause

C'est lui pour moi, moi pour lui dans la vie
Il me l'a dit, l'a juré pour la vie

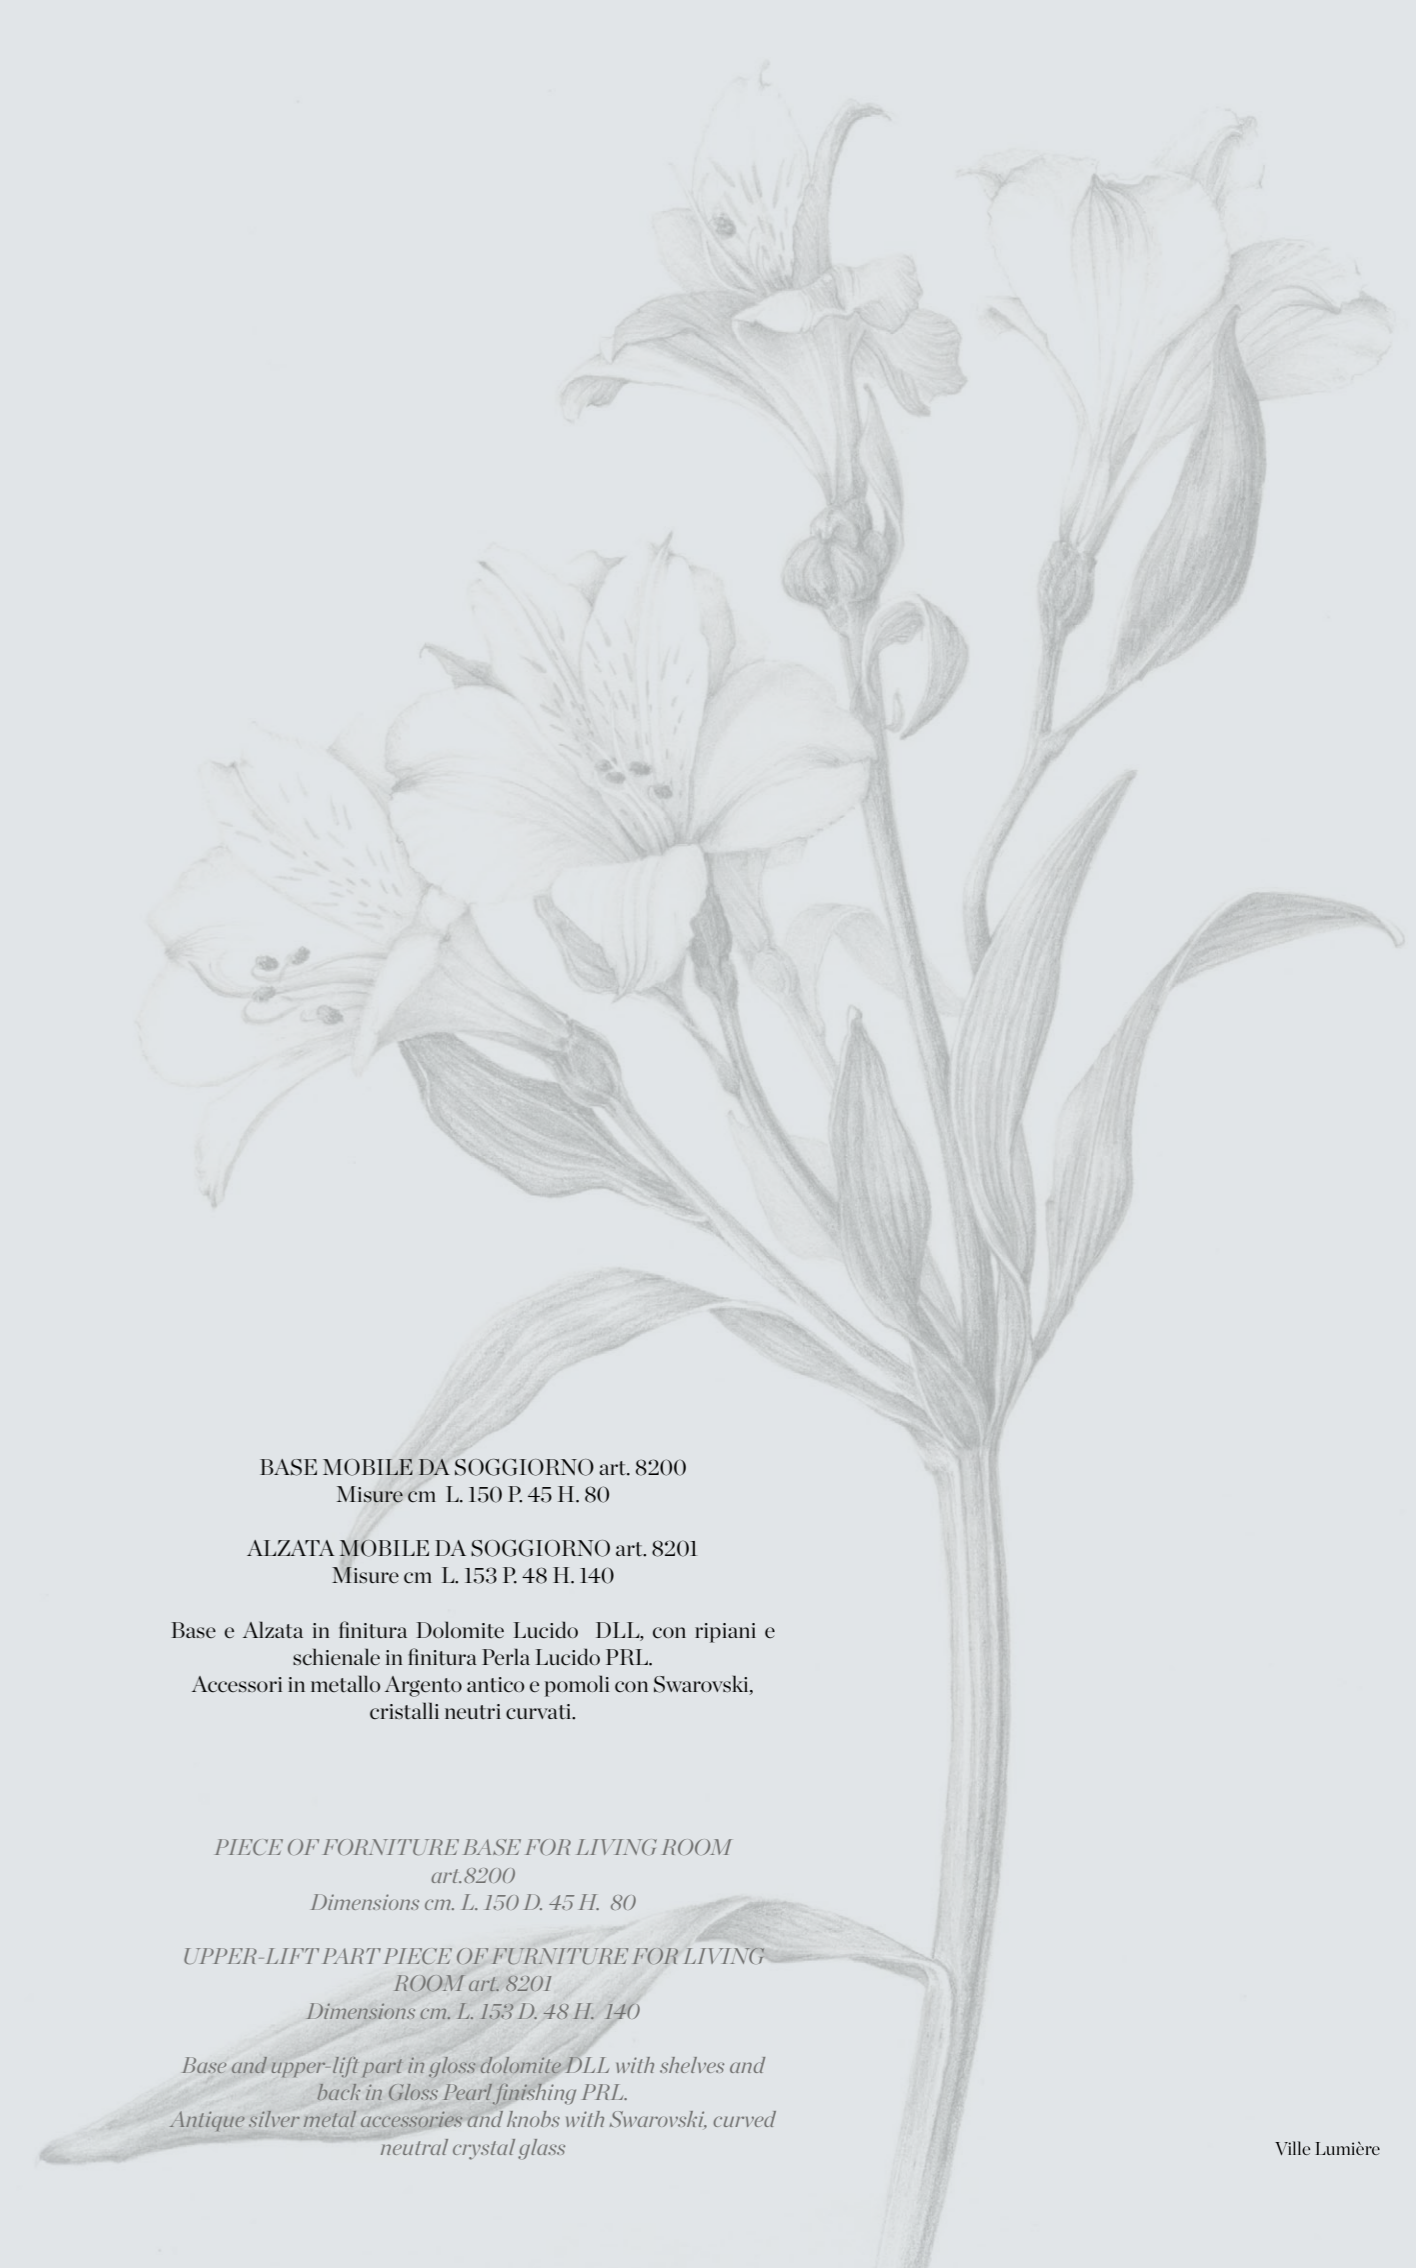

Et dès que je l'aperçois
Alors je sens en moi
Mon coeur qui bat

Country Club

I see trees of green red roses too
Almost heaven, West Virginia
Blue Ridge Mountains, Shanandoah River
Life is old there, older than the trees
Younger than the mountains
Growin' like a breeze

Country Roads, take me home
To the place I belong
West Virginia Mountain momma
Take me home Country Roads

All my mem'ries gather 'round her
Miner's lady, strangers to blue water
Dark and dusty, painted on the sky
Misty taste of moonshine
Tear drops in my eye

Country Roads, take me home
To the place I belong
West Virginia Mountain momma
Take me home Country Roads
Take me home Country Roads

Rosewood

Well, early in the morning I wake with the rising sun
Yes, early in the morning I wake with the rising sun
It's my daily motto and the people all calls it fun

Yes, I'm looking for a better future
and forgetting about the past
I'm looking for a better future and forgetting about the past
Now I'm so glad that troubles don't always last

Yes, have fun whilst you can 'cause fate's an awful thing
Well, have fun whilst you can 'cause fate's an awful thing
You can't tell what may happen that's the reason I love to
sing....

Nat King Cole, early in the morning, 1967

Maison des Fleures

I see trees of green red roses too
I see them bloom for me and for you
And I think to myself
what a wonderful world

I see skies of blue and clouds of white
Bright blessed days dark sacred nights
And I think to myself
what a wonderful world

The colors of a rainbow, so pretty in the sky
Are also on the faces of people going by
I see friends shaking hands
saying "how do you do?"

They're really saying I love you
I hear babies cry, I watch them grow
They'll learn much more than I'll never know

And I think to myself
what a wonderful world
Yes I think to myself
what a wonderful world

....

Complements

I see trees of green red roses too
I see them bloom for me and for you
And I think to myself
what a wonderful world

I see skies of blue and clouds of white
Bright blessed days dark sacred nights
And I think to myself
what a wonderful world

The colors of a rainbow, so pretty in the sky
Are also on the faces of people going by
I see friends shaking hands
saying "how do you do?"

They're really saying I love you
I hear babies cry, I watch them grow
They'll learn much more than I'll never know

And I think to myself
what a wonderful world
Yes I think to myself
what a wonderful world

....

Finishes

Finiture, Finishes

Finiture con definizione "antico": colore base più patine, consumato, lavorazione manuale di anticatura: finti tarli, rovinii e crepe. Finiture senza effetto antico: colore base più patine, nessuna lavorazione manuale di anticatura, le imperfezioni naturali intrinseche del legno non possono essere motivo di contestazione. La finitura lucida si ottiene per sovrapposizione, come ultima lavorazione, di uno strato di vernice lucida su una superficie opaca.

Pelle, Leather

Pelle bovina, spessore 1,1 – 1,2 mm. Le pelli sono di origine Europea, sono idrorepellenti grazie ad uno specifico trattamento e quindi anche la loro manutenzione e pulizia risulta molto semplice: basta passare una spugna umida per rimuovere facilmente lo sporco. Il trattamento di concia è al cromo e la tintura è all'anilina passante con effetto semilucido ottenuto con una rifinitura con vernice all'acqua.

Bovine leather, thickness 1,3-1,5 mm, Ecological, Chrome-free, Vegetable tanning, Leather surface without artificial coating guarantees a cosy and comfortable touch. To maintain the beauty of the leather, please note the following tips: avoid placing leather near direct sun, keep the leather away from heat sources, Clean regularly with a soft and dry cloth. Possible variations in the colour tone as well as abrasions are due to the manufacturing process and to quality features of a vegetable-tanned, untreated leather.
